## j mansion roof

This image was captured on my 2007 South Pacific trip. I was on a journey to see things I have never seen and do things I never have done.

I started with a trip around both islands in New Zealand I then flew to Thailand drove on through Malaysia and found my way down to visit an ex-pat friend in the heart of Singapore. There were so many places I went to that without pictures I probably would have forgotten half my trip.

The afternoon was spent in the water at Ao Nang Beach. Got a bit of a sun burn but it wasn't that much considering what most folks from the UK look like.

Dusk provided was another Luminous View from the J Mansion Hotel roof (where I stayed). This view is from was of the strip down Ao Nang and the cliffs that over look Krabi Beach. Definitely a tourist town. One that is not easily forgotten.
